What are Governors and what do they do?

Governors are like a Board of Directors and make decisions about how the school is run. They meet at least once each term, usually at school.

Governors are appointed to help:

- (i) Decide what is taught
- (ii) Set standards of behaviour
- (iii) Interview and select staff
- (iv) Decide how the school budget is spent
- (v) Monitor the performance of our school
- (vi) Monitor the performance of the headteacher
