Our attendance saw an important up-turn in the couple of weeks before the Easter holiday. Thank you for making sure that your children get to school on time every day that they are well enough.

Hopefully this term, with a bit of sun, we will see our attendance maintain the high standards that we set ourselves.

WELCOME BACK

It was lovely to welcome all our children back for the Summer term. The children all came into school happily talking about their break. This is a very important term for a number of our classes – statutory testing, phonic screening, transition work etc. We hear more and more in the media about children becoming stressed at younger ages. Please keep all our children in your thoughts and prayers particularly through this term in school.

EASTER COMPETITIONS

We had some fantastic entries to both our Easter Bonnet competition and our Egg scene competition.

Thank you for all your effort to create the brilliant hats and the wonderful egg dioramas.

It was really difficult to choose the winners and so we gave all the entrants a prize in the end.

Mr Brammer took lots of photographs and we will try to publish them as a photo gallery on the school website as soon as we can.

CHARITIES

On 24th March we all dressed in red for Comic relief. The non-uniform day alongside the cake sale raised almost £150 that we have added to the £120 that we raised through selling the red noses. That means that we have sent a cheque to comic relief for £270. Thank you all for your fantastic support.

On 20th May, Ms Byrne is completing the Yorkshire Three Peak Challenge – about 40km in 12 hours! Our school council decided that Ms Byrne should raise money for Twinkle House as they help to support a lot of our children.

Ms Byrne has set up a web page where anyone who wishes to sponsor her is able to donate money to Twinkle House.

If you want to support Ms Byrne in raising money for Twinkle House you can use this link www.everyclick.com/missbyrneathreepeakadventure

POLLING STATION

We have been informed that our school will once again be used as a polling station for the forthcoming Local Elections on 4th May and most probably for the General Election on 8th June.

The polling station will be in the Year 1 classroom, so all FSU and KS1 children will need to come into school through the main door on the infant playground in the morning and be collected there in the afternoon.

PARENTS WORKSHOP

We have a Maths workshop for KS2 parents beginning this Friday, 21st April, and then for three Fridays after that. We already have some parents looking forward to the workshop but there are a couple of places still available.

If you have not booked onto the workshop but you think that you would be interested, pop into school for another letter.
